

# Malbec de Grenet

Fresh and gourmet

DOMAINE  
CHIBAOU

## Terroir and grape varieties

AOP Bordeaux red wine  
Clay-limestone terroir  
Average yield of 55 hl / ha  
Production : selon le millésime  
100 % Malbec

## Vinification

Vinification in stainless steel vats, fermentation at low temperature, long maceration, aging in concrete vats.

## Tasting notes

Ruby color with rosy reflections. Nose of fresh red berries and spicy and peppery notes. Supple, minty palate with a nice freshness. Pleasant and gourmet wine today with a minimum aging potential of 5 years.

## Food and wine pairing

The power of this 100% Malbec goes mostly with red meats.

Tasting temperature : 16°C
