

# Merlot de Chibaou

Supple and aromatic

DOMAINE  
CHIBAOU

## Terroir and grape varieties

AOP Bordeaux red wine  
Clay-limestone terroir  
Average yield of 55 hl / ha  
Production : selon le millésime  
100 % Merlot

## Vinification

Mechanical harvest, sorting, vinification in stainless steel vats, fermentation at low temperature, long maceration, aging in concrete vats.

## Tasting notes

Nice deep color, nose with notes of black fruits (blackcurrant, blackberry), round and greedy attack, supple and aromatic palate, with a good length.

A pleasant and delicious wine today, with a minimum aging potential of 5 years.

## Food and wine pairing

This wine served chilled will go perfectly with your aperitif!

Tasting temperature : 16°C
