

Surnaturel

Power and roundness

Terroir and grape varieties

AOP Bordeaux red wine
Clay-limestone terroir
Average yield of 45 hl / ha
100 % Merlot

Vinification

Sorting, vinification in stainless steel vats, fermentation at low temperature, long maceration, aging in concrete vats.

Tasting notes

Sustained color. Complex and intense nose with aromas of black fruits, candied strawberries and caramel. Round and powerful attack, rich and concentrated wine, balanced structure while delicacy and gluttony.
Very good length in the mouth.
A wine without sulphites or added inputs.

Food and wine pairing

A plate of cow cheese, for example with Saint-Nectaire.

Tasting temperature : 16°C
